

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ADJUSTMENT OF GAS AND ELECTRIC RATES OF)
LOUISVILLE GAS AND ELECTRIC COMPANY) CASE NO. 90-158

O R D E R

On June 3, 1991, Louisville Gas and Electric Company ("LG&E") filed a motion requesting clarification of the particular microfiche cards to be copied and produced pursuant to the Commission's May 30, 1991 Order. That Order required the copying and production of microfiche cards for Account Nos. 923, 926, 930.1, and 930.2 on the grounds that these accounts were cited in the Commission's May 10, 1991 Order as containing downsizing costs. LG&E states that the May 10, 1991 Order cited these accounts as containing relocation expenses, not downsizing costs. Since downsizing costs were recorded in Account Nos. 926.007, 926.101, 926.106, and 408.101, LG&E seeks guidance on which microfiche cards to copy and produce.

Based on LG&E's motion and a review of the record, the Commission hereby finds that the May 30, 1991 Order should have referred to relocation expenses, rather than downsizing costs, being recorded in Account Nos. 923, 926, 930.1, 930.2, and 921. The rehearing issues include both Account No. 921, which contains a portion of the test year relocation expenses, and downsizing costs. Evidence on relocation expenses and downsizing costs was

presented at the April 24-25, 1991 rehearing. Accordingly, the microfiche cards for the accounts enumerated in the May 30, 1991 Order are reasonably calculated to lead to relevant evidence and should be copied and produced.

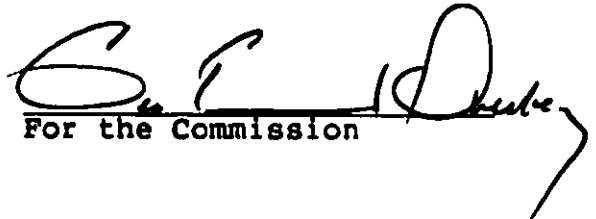

IT IS THEREFORE ORDERED that:

1. The May 30, 1991 Order be and it hereby is modified to reflect that relocation expenses, not downsizing costs, are recorded in Account Nos. 923, 926, 930.1, 930.2, and 921.

2. All other provisions of the May 30, 1991 Order shall remain in full force and effect.

Done at Frankfort, Kentucky, this 4th day of June, 1991.
